By Trina Robbins

Lerner Publishing Group, United States, 2011. Paperback. Book Condition: New. Tyler Page (illustrator). 210 x 146 mm. Language: English . Brand New Book. A friend has vanished, a mummy's amulet is missing, and there's a weirdo out there looking for human brains and hearts. The Chicagoland Detective Agency run by Megan, Raf, and his talking dog Bradley have more than enough cases on their hands (and paws). But Megan's too busy for private-detecting. Her haikus have won her tickets to meet the drop-dead gorgeous rock star Sun D'Arc. Raf is sure that Sun is too good not to be really bad. And what about Sun's suspiciously familiar manager, who looks just like the mad scientist/school therapist they foiled in their first case? Or Jazmin, the pushy new girl at school? Can Bradley pull his team together and sniff out what suspect goes with which case?.
