Reviews

This type of book is almost everything and helped me hunting forward and more. I was able to comprehend almost everything using this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Edwardo Ziemann)

YOU LL LIKE IT HERE (EVERYBODY DOES) (PAPERBACK)

Random House USA Inc, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. While Meggie and David Blue are from another planet, they re a lot like Earth kids, with similar hopes and dreams, and can t wait to grow up. BUT they also have GROSSLY UNIQUE qualities, such as blue streaks in their hair that pop up randomly and language skills that sound like nothing on this planet. The story takes these alien kids, along with their mother and grandfather, by accident, to a far planet in which the society is not only oppressive but hostile to individual freedom. People are kept submissive through drugs and brainwashing. The Blues, who have spent time in free societies recognize the upside-down-ness of this world. They re almost helpless to do anything, but do what they can, plan their escape, and vow to help others. From the Hardcover edition.
