Lulu.com, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A collection of poems inspired and based upon Homer s Odyssey, The Odd Eye Sees explores the human psychology and modern vice upon the Greek epic classic. Scott A. Nicholson was born on the outskirts of Los Angeles where he explored the greater area from a cluttered outpost amongst its vast valleys. He moved to New Orleans to be inspired by the music of the city and its gritty inhabitants, where he has found a hobby and delirious comfort in marrying the classic styles of meter rhyme with the contemporary voices of blank verse whilst pursuing his true passion of collecting and carpeting the floors with literary agent form rejection letters. Unpublished on paper but willing to try new things, he is survived by a Parker click-retractable pen.
