Be amazed and inspired by answers to some of the biggest questions you could ever ask. Do we live forever? What's it like on the "other side"? Can we communicate with the deceased? Do "Gods" really exist? Who are the Ascended Masters? Have guides changed the course of history? Could a guardian angel save your life? Richard Lawrence explains, with captivating frankness and authority, what communicating with the departed is really like ? and how the message of those beyond this plane of existence is relevant to every single one of us. Unlike many psychics, Richard wasn't born with a "gift" ? he began to develop his abilities through practising the techniques of his own spiritual teacher, Dr George King, over 25 years ago. Described by Spirit & Destiny as "a world-renowned teacher of psychic development and meditation. with a balanced and responsible spiritual approach, combined with enthusiasm and a sense of humour", he is well known as a popular broadcaster, writer, speaker and workshop presenter. His remarkable accounts of a kaleidoscopic array of personal psychic experiences, from channelling poetry to performing exorcisms, are sure to fascinate any seeker who wants to know more about the little-understood adventures which await us all in our journey through spiritual evolution.
