## THE ENQUIRING HISTORY: THE VIETNAM WAR IN CONTEXT

HODDER EDUCATION, United Kingdom, 2015. Paperback. Book Condition: New. 246 x 190 mm. Language: English . Brand New Book. Think more deeply and work more independently at A level History through a carefully thought-out enquiry approach from SHP. Enquiring History: It makes you think! The OFSTED report on school history suggests that the current generation of A Level students have been poorly served by exam-based textbooks which spoon-feed students while failing to enthuse them or develop deeper understandings of studying History The Schools History Project has risen to this challenge with a new series for the next generation. Enquiring History is SHP s fresh approach to Advanced Level History that aims: - To motivate and engage readers - To help readers think and gain independence as learners - To encourage enquiry, and deeper understanding of periods and the people of the past - To engage with current scholarship - To prepare A Level students for university Key features of each Student book - Clear compelling narrative - books are designed to be read cover to cover - Structured enquiries - that explore the core content and issues of each period - Insight panels between enquiries provide context, overview, and extension - Full colour illustrations throughout The Vietnam War in context The Vietnam War was much more than just a war. As a conflict it was drawn out and deadly, but in the history of the 20th century its significance goes well beyond those jungle encounters that have been represented in so many feature films. The Vietnam War was also a watershed event in the story of American foreign policy and their attempt to contain Communism. This book examines how and why the Americans got so involved in Vietnam and with what consequences. It also examines its relationship to the Korean...
