Houstone Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.INTRODUCTION The authors began writing this book in 1974 and completed it in 1976; the material in the book is intended to provide an intimate insight into the life of blacks and few of their achievements in the sixties and seventies in America, strictly from the point of view of the authors, who themselves are Black African Americans. The content may appear offensive and controversial to anyone who may holds a self-righteous outlook about life. The material of this book has been collected through various communications and messages of older relatives, coaches, teachers and various community elders. However, the prominent few that inspired the authors to include the content are Ms. Barbara Jordan, Mr. Hasting, Mrs. Lillian Reedy Bastine, Dr. Ira Bryant, Mr. Conrad O. Johnson, Mrs. Coach Billy Matthews, Coach Weldon Drew, President John F. Kennedy, Coach Collins Briggs, Coach Richie Guerin, Captain Van Leer Ribbink, Lt. Melton, Captain Joseph L. Coleman, Robert Bob Nesta Marley, Fela Olufela Olusegun Oludotun Ransome-Kuti, James Brown, Maya Angelou, and Muhammad Ali. Some books, magazines and journals about Blacks history also deeply influenced the authors. The content of the researched written material is not quoted verbatim, however, some relevant points may have been paraphrased. We have listed below the titles of some of the written material in the hope that they will serve as a reference for those readers who would like to further research the books and resources that helped in forming the author s viewpoints. Resource List: You Forever, The Destruction Of Black Civilizations 5000 BC, The Ultimate Frontier, Roots The Saga Of An American Family, They Came Before Columbus, The Sidney Journal, Seagram s/Ebony Magazine 1976 Black History Calendar, Renegade South, History Of Unconventional...
