By Deb DeArmond

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Married for nearly 38 years, author Deborah DeArmond and her husband have made the spoken declaration I choose you today a regular part of their communication. It s when we least feel like saying it that we need to remind ourselves that love is a choice, not a feeling. I Choose You Today features 31 scriptural principles that support marriage and help couples develop healthy biblically based behavior. Built on an introductory anecdotal story, each chapter has an inspirational takeaway of not only what to do but how to begin applying the principles immediately. Thought-provoking questions create talking points for couples to explore their own choices, and experiences in each area serve to generate open dialogue of discovery. I Choose You Today is not a book of shoulds but one of clearly identified choices that each individual can make to grow his or her marriage and align it with the word of God. Every saying ends with a conventional wisdom quote.

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
