Charlesbridge Publishing,U.S., United States, 2011. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. X is exasperated. Every other letter in the alphabet has so much to do and plays such important roles in making words. X expects more. He calls for a vote on a new alphabet (gasp!). According to the Alphabet Constitution, X has every right to question the status quo. But the night before the vote, X is plagued by dreams of what could happen if he were to take on another letter s job. S has to run around a lot making singular words plural, except sometimes he isn t needed at all, and sometimes he needs to bring along another letter . . . it was all very confusing. Then X thought he d like to be E. E was very important and very useful. E agreed. But E was exhausted. He was in thousands of words and constantly busy. X didn t think E s job was a good idea after all.
