Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.World today is the world of communication. An eloquent and remarkable communication is the need of time. The present book explores out the linguistic reasons behind the striking-effect in the discourses of Swami Vivekananda who, with the magnetic power of his words at World s Parliament of Religions- Chicago had deeply convinced the audience of the interfaith and won their love and reverence. The present book, thus, describes the linguistic speciality producing sensations in the discourse of Swami Vivekananda. The book explores the addresses, interviews, utterances, and epistles of Swami Vivekananda at different linguistic levels viz. Phonology, Morphology, Syntax, Semantics, Pragmatics, and Discourse and settles down the general linguistic standards to enhance the productivity of individual s language. The book benefits the society with intelligible and superior present-day-communication like oral presentations, interviews, letter writing, and our routine communication at public places. As we live in a Globalized World using American technology, French garments, Indian spices, Chinese toys, Swiss watches, and African Gold altogether, the work has a great demand. It is expected that the coherence, consistency and sincerity with which this book is being presented, will go a long way in paving the path of enhanced communication in various fields of our life.
