The first book in the End Times Saga - Christian Fiction. In this prequel to Times of Trouble and Times of Trial, we follow how the Evans family gained their riches and eventually their power to influence events in the United States. We see important events that the Evans family gets themselves involved in: such as the return of the Israelites to Israel, the assassination of President Kennedy, the terrorism of 911, and eventually events that lead to government tyranny in the United States with the sole purpose of destroying Christianity and its influence in the United States. The novel also follows the Atwood family, starting with the Great-Grandfather of Brian, Charles, as he fights in World War Two and ends up helping liberate Buchenwald shortly near the end of the war. Charles returns to the States and gets married to the love of his life, Betty. Eventually, the family ends up in Delaney, Nebraska, where we watch Aaron, the father of Brian, join the Army to fight the Taliban in Afghanistan after 911. Later on, we get to see how Brian and Lynda finally get together and get married.
