Born Yesterday: The News as a Novel

By Gordon Burn

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Born Yesterday: The News as a Novel, Gordon Burn, Summer 2007 was an extraordinarily rich time for news. Floods. Foot and mouth. The disappearances of Tony Blair and Madeleine MacCann. The arrival of Gordon Brown. Terror attacks in Glasgow. And Gordon Burn, artist, journalist and true-crime author, has taken the events from this bleak summer and turned them into a novel about the way news is made, and the way the media creates and manipulates the stories we see before us. This is a daring and thrilling novel from one of the most astute observers of celebrity and tragedy. It is sure to make the headlines itself for the way it is written and for the controversial subjects he tackles. In "Born Yesterday" Gordon Burn creates a whole new way of writing a novel, and makes us think again about the stories we are fed by the media around us.

Reviews

This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.
