### **Reviews**

*The very best pdf i at any time read through. This is for all those who statte there had not been a worthy of studying. You wont sense monotony at whenever you want of your own time (that's what catalogs are for concerning when you request me).  
(Fabian Kuhlman II)*

## GUIDE TO TRAPPING

Stackpole Books. Paperback. Book Condition: new. BRAND NEW, Guide to Trapping, Jim Spencer, Trapping has become somewhat of a lost art, but interest in the sport is as strong as ever thanks to a stable fur market and a growing need to control mammal populations or remove nuisance animals. In this guide Jim Spencer covers strategies for successfully harvesting popular species such as raccoon, muskrat, mink, otter, beaver, coyote, grey fox, red fox, bobcat, skunk, and opossum. His entertaining and informative writing will appeal to trappers of all levels. Spencer discusses trap styles and the basics of establishing and working a trap line, including techniques for fastening and adjusting traps and a species-by-species review of trapping tactics for the country's most pursued fur bearers. The field-tested techniques, carefully explained and illustrated in this work, will help trappers make sets that deliver maximum results.
