There he is given a bath and put to bed and the regular course of treatment begins. A member of the attending staff of physicians and a senior and junior interne are detailed to the care of each patient immediately on the latter s entrance. To insure prompt attention a system has been established for notifying, by mail and telephone, doctors of the attending staff, of the cases to which they have been assigned, and each physician is required to sign a record, kept in the Warden s office, as an acknowledgment that he has been duly notified and has taken charge of the case. the chemical and microscopic examinations pertaining to clinical diagnosis. Each junior resident physician spends the greater part of every forenoon in the laboratory in routine examination of sputum, stomach contents and excreta of patients belonging...
