A solid, scientifically based method for confronting behavior problems with loving, consistent discipline. The chapters that outline specific steps for creating a child s behavior plan are particularly helpful . . . parents have an inherent obligation to properly discipline their children-and to do so with love. -Kirkus Reviews Parenting has never been more difficult than it is today. You only need turn on the television, computer or game console to see graphic sex and violence. The content infects the hearts and minds of our vulnerable youth. Unprecedented acts of violence and terror keep the world fluctuating between a state of fear and mourning. The enemy is making a final push to destroy our children. Wars on drugs, violence and pornography were lost. The final battle is here and now and the casualties are too great. Love and discipline are two of the most powerful weapons available to parents, who want to save their children....
