Reviews

Absolutely essential go through pdf. Indeed, it really is play, continue to an interesting and amazing literature. You will not truly feel monotony at at any time of your time (that's what catalogues are for concerning if you question me).
(Julia Mohr II)

MY FATHER SPOKE FINGLISH AT WORK: FINNISH AMERICANS IN NORTHEASTERN OHIO

Kent State University Press. Hardback. Book Condition: new. BRAND NEW, My Father Spoke Finnish at Work: Finnish Americans in Northeastern Ohio, Noreen Sippola Fairburn, In 1874, the first Finnish immigrants came to Northeast Ohio's Lake Erie port towns to work on the docks loading coal or unloading iron ore from ships sailing the Great Lakes or to work on the railroads. As with most immigrant groups, the Finns clustered in the same area, hoping to retain their language, customs, and culture, even in the New World. The Finnish American Heritage Association of Ashtabula County was organized in 1995, and one of its first projects was the interviewing and taping of elderly Finnish Americans to obtain historical accounts of early immigrants. These first-person accounts were written as the narrator told them. Many of the first- and second-generation Finns were in their eighties or nineties at the time of their interviews, yet their recollections of times gone by were told with frankness and clarity. Photographs representative of these early years are also included in this volume. Genealogists and those interested in immigration studies will find these first-person accounts valuable research tools and fascinating testimonies to the migrant experience.
