Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.We have read many books, as you can imagine; but, none have ever been as Curious, nor as Serious as this Inspired Book, which is written in phonetic English, which contains ancient conversations between the Creator Gods, Angels, Satan, Adam, Eve and a whole list of the Founding Fathers and Dumbfounded Mothers, you might say, who present Astounding Information that is difficult to Swallow, without Choking on it, even if you chew it slowly and carefully, and do not bite off too much at any one time. In fact, the beginning of the book is somewhat like Unrefined Gold; but, it gets more and more like the Pure Words of the Living God, after you get into it - at least in certain chapters, which contain Astonishing Information that Unravels some of the Mysteries of the Bible, and Unlocks the Doors that lead into the Secret Chambers of the Most High God, himself. Yes, you could call it a Modern-day Revelation, if you please; but, it is much more than that: because it Rocks the Foundations of all Religious and Political Establishments, and even Threatens to do away with the worst of them! We promise you that this book is not a waste of your precious time to read it. In fact, we have never read a more Serious Book, in spite of its great and lovable sense of humor. Therefore, we give to it a 5-star rating! Indeed, even God will no doubt be well pleased with it, if he can find Time to read it, and if he was ever Pleased with any books at all, other than Mark Twain s books - such as Letters...
