## A WRITERS GUIDE TO WIZZLEY LEARN HOW TO MAKE A LIVING WRITING ABOUT WHAT YOU LOVE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 144 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Wizzley is one of the youngest and brightest writing platforms on the internet today. Online livelihoods are made in writing articles there. Jo Harrington is one of its foremost authors. In just twelve months, she penned the most articles, netted the greatest number of Editors Choice Awards and attracted thousands of readers for the website. On a notable occasion, one of her articles went viral. 80, 000 people read it in just one night. In her Writers Guide to Wizzley, she explains how she did it. Chapters 1-9 lead new authors in creating an account through to achieving the best from your articles. Learn how to make money from writing about all that you love. Discover all of the tools to help produce amazing articles. Then explore little tricks of the trade, which give your work the best possible chance of earning a living wage. Chapters 10-18 reproduce the popular Tips and Tricks articles already on the Wizzley website. They are included here as bonus material. Together they chronicle Jos journey from absolute beginner to respected and successful author. We all have to begin somewhere and this demonstrates just one way in which it can be done. The preface is provided by Wizzley co-founder and community manager ChefKeem. He points out, quite rightly, that its not just newcomers who can benefit from reading Jo Harringtons Wizzley guide. Writers who have been around the block a few times might find a tip or ten from this woman, who tore up the rule-book and created her own. Anyone attempting to make a living writing online will find something of value in this book. This item ships from La Vergne, TN. Paperback.
