Reviews

It is really an incredible publication that we have possibly study. Of course, it really is engage in, continue to an interesting and amazing literature. You are going to like how the writer compose this publication.
(Bailey Lehner)

A PEOPLE'S HISTORY OF THE UNITED STATES. EINE GESCHICHTE DES AMERIKANISCHEN VOLKES, ENGLISCHE AUSGABE

Harpercollins US. Taschenbuch. Book Condition: Neu. 204x136x32 mm. Neuware - With a new introduction by Anthony Arrove, this updated edition of the classic national bestseller reviews the book's thirty-five year history and demonstrates once again why it is a significant contribution to a complete and balanced understanding of American history. Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools-with its emphasis on great men in high places-to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, A People's History of the United States is the only volume to tell America's story from the point of view of-and in the words of-America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles-the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality-were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States , which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. 784 pp. Englisch.
