Brand New Book ***** Print on Demand *****.Woman Blooming out of Gloom is a doctoral thesis that provides an in-depth analysis of the works of Senegalese author Mariama Ba. By addressing such issues as marriage, polygamy, motherhood, and womanhood, Ba was able to establish a creative space for herself and use the act of creative writing as a tool for self-affirmation. The underlying theme of most of Ba s writings is a powerful appeal for the emancipation of women, and African women in particular. This well-crafted and engaging analysis is divided into five chapters; each of which attempts its own in-depth review of separate aspects of Ba s works. The book ultimately endeavors to take a critical review of contemporary African socio-political reality by proposing a re-reading of Ba s writings. The author of this book, Dr. Jayant S. Cherekar, was inspired by a sincere desire to arrive at a more comprehensive understanding of Ba s female protagonists. In so doing, the author also attempts to bring into global focus the vast socio-political-cultural realities prevalent in the African world today....
