

Understanding and Surviving Obamacare

By James W Forsythe MD HMD

Century Wellness Publishing. Paperback. Book Condition: New. Paperback. 154 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Finally, you have found the critical and necessary book that you've heard so much about, essential information on Surviving Obamacare. How can you, your company and family survive the new law, formally called the Patient Protection and Affordable Care Act? As the overall public confusion intensifies regarding requirements imposed by the new law, steadily growing numbers of physicians, families and patients from around the world have asked Doctor Forsythe for his advice. Among the many issues covered: How can consumers benefit from state-operated insurance exchanges? How much will your personal monthly premiums increase or decrease? How much will the federal government help pay for your premiums, if at all? How can you qualify to enter Medicaid without paying a cent? If you are an employer, will you have to close your company due to excessive and increasing premium costs? As an employer, what reasons would you have to cut back the hours of your workers or how many people will you need to lay off in order to comply with Obamacare? Why and how is the Obama administration giving exceptions to cronies and selected companies,...
