SIMON SCHUSTER, United States, 2009. Other book format. Condition: New. Language: English . Brand New Book. In this richly imagined, utterly original debut a mother- daughter road trip leads a young girl--a precocious Civil War buff--to a hard-won understanding of the American history she loves and the personal history she inherits. Eleven-year-old Katherine McConnell is so immersed in Civil War history that she often imagines herself a general, leading troops to battle. When Kat's beautiful, impulsive mother wakes her early one morning in the summer of 1968 to tell her they will be taking a road trip from Georgia to Maine to find antiques for a shop she wants to open, Kat sees the opportunity for adventure and a respite from her parents troubled marriage. Armed with a road atlas and her most treasured history books, Kat cleverly charts a course that will take them to battlefields and historic sites and, for her mother's sake she hopes, bring them home a success. But as the trip progresses, Kat's experiences test her faith in her mother and her loyalty to the South, bringing her to a difficult new awareness of her family and the history she reveres. And when their journey comes to an abrupt and devastating halt in Gettysburg, Kat must make an irrevocable choice about their ultimate destination. Deftly narrated with the beguiling honesty of a child's perspective and set against the rich backdrop of the South during the 1960s, *The Confederate General Rides North* gracefully blends a complex mother-daughter relationship, the legacy of the Civil War, and the ache of growing up too soon.
