## ROSE GARDENER SERIES: BASIC GUIDE TO BECOMING A ROSE GARDENER (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As one of the most classic and timeless flowers of choice, roses continue to dominate the modern day gardens with their splendid colors and amazing blooms. With flowers that look sophisticated and delicate, it's so easy to surmise that roses require meticulous care and very deep specific knowledge on their species. But you couldn't be any wrong! Rose gardening will prove to be a practical and successful endeavor, regardless of whether or not this is your first time to grow them. The Rose Gardener Series: Basic Guide to Becoming a Rose Gardener will show you: - What roses need in terms of sun, water and soil. Growing roses with beautiful blooms and healthy foliage is not a mystery; they just need the right growing conditions! - That your region will favor the health and growth of specific rose varieties. Pick the right type of rose plant and place it at the right location and the job is almost halfway done. - That roses need a few maintenance routine practices to keep them at their best shape the whole year round. You've probably heard of pruning but are you really doing it right? Roses need to be deadheaded and protected from the harsh winter. Roses gracing your garden do not need to be an intimidating task. Whether you're doing rose gardening as a therapeutic or creative outlet or as a baby step for a commercial endeavor, you need to begin with the right understanding of what roses need and what makes them tick. The Rose Gardener Series: Basic Guide to Becoming a Rose Gardener brings you the very and basic knowledge to ensure that your garden will produce blooms...
