

Missing Pieces: Mending the Head Injury Family (Paperback)

By Marilyn Colter

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Missing Pieces is an inspiring and compassionate recovery manual for families experiencing drastic life changes after someone in the family is brain injured. Thousands of brain injury families have been helped by this book, in the United States and throughout the world. One medical professional says, You have written an extraordinary book. I would like to send copies to clients who are currently coping with difficulties beyond our areas of expertise. Written by a wife and mother who has been there, the book offers advice, understanding and acceptance for the dark times in each family s struggle with brain injury. Families struggling with PTSD, Stroke and Dementia may also find healing in this book. Missing Pieces is about the families who are often left alone without professional help to cope with the unbelievable changes that brain injury presents.
