Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Alternative: A Separate Nationality, or the Africanization of the South A sectional party, inimical to our institutions, and odious to our people, is about taking possession of the Federal Government. The seed sown by the early Abolitionists has yielded a luxurious harvest. When Lincoln is in place, Garrison will be in power. The Constitution, either openly violated or emasculated of its true meaning and spirit by the subtleties of New England logic, is powerless for protection. We are no longer partners to a federal compact, but the victims of a consolidated despotism. Opposition to slavery, to its existence, its extension and its perpetuation, is the sole cohesive element of the triumphant faction. It did not receive the countenance of a single vote in any one of the ten great cotton States of the South! The question is at length plainly presented: submission or secession. The only alternative left us is this: a separate nationality or the Africanization of the South. He has not analyzed this subject aright nor probed it to the bottom, who supposes that the real quarrel between the North and the South is about the Territories, or the decision of the Supreme Court, or even the Constitution itself; and that, consequently, the issues may be stayed and the dangers arrested by the drawing of new lines and the signing of new compacts. The division is broader and deeper and more incurable than this. The antagonism is fundamental and ineradicable.
