The Family

By Ed Sanders

Thunder's Mouth Press. Paperback. Book Condition: new. BRAND NEW, The Family, Ed Sanders, In August of 1969, during two bloody evenings of paranoid, psychedelic savagery, Charles Manson and his dystopic communal family helped to wreck the dreams of the Love Generation. At least nine people were murdered, among them Sharon Tate, the young, beautiful, pregnant, actress and wife of Roman Polanski. Ed Sanders' unnerving and detailed look at the horror dealt by Manson and his followers is a classic of the true-crime genre. The Family was originally published in 1971 and remains the most meticulously researched account of the most notorious murders of the 1960s. Using firsthand accounts from some of the family's infamous members, including the wizard himself, Sanders examines not only the origins and legacy of Manson and his family, but also the mysteries that persist. Completely revised and updated, this edition features 25 harrowing black and white photos from the investigation. "One of the best-researched, best-written, thoroughly-constructed, and eminently significant books of our times. A masterpiece. "Boston Phoenix.

Reviews

Unquestionably, this is the finest work by any publisher. I really could comprehend every little thing using this published e book. You will not sense monotony at anytime of your respective time (that's what catalogs are for regarding should you question me).

-- **Joe Kessler**

This is basically the greatest book i have got read through until now. It normally will not expense an excessive amount of. I am just delighted to let you know that here is the greatest book i have got go through within my individual existence and might be he finest book for at any time.
