Xlibris, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It seems the world has gone adrift; or seemingly so. This alluring storybook of poetry encompasses both personal and public issues of life. In great imaginative form my words become the echo of muffled cries of pain, resounding sounds of joy and a deep faith that love conquers all. My heart speaks out with compassion for the abused, accused, confused and the misused people of the world. With simple words my poems become a brokerage for peace, and an inspiration for hopelessness. We can heal, if we shake the shackles and grow in love until the sunset of life!.
