

Uncommon Wisdom: True Tales of What Our Lives as Doctors Have Taught Us about Love, Faith, and Healing

By John E Castaldo, Lawrence P Levitt

Rodale Press. Paperback / softback. Book Condition: new. BRAND NEW, Uncommon Wisdom: True Tales of What Our Lives as Doctors Have Taught Us about Love, Faith, and Healing, John E Castaldo, Lawrence P Levitt, In light of the proliferation of HMOs and all the talk about the growing costs of medicine, it's easy to forget the human side of health care. In "Uncommon Wisdom," neurologists John Castaldo and Lawrence Levitt share what they have learned in their many years as doctors, not just from tests and labs, but from years of listening and learning from their patients. These 16 tales show doctors as human beings: flawed and full of doubt, wonder, and reverence about what it means to be alive. The stories remind us that the medical profession should be about treating people with the dignity they deserve and that medical miracles don't always involve medicine. These doctors find cures, solve mysteries, and glean many lessons from listening deeply to their patients.

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Llewellyn Terry**

This book is very gripping and exciting. I was able to comprehended everything out of this written e publication. You will not truly feel monotony at at any time of your respective time (that's what catalogs are for concerning should you question me).
