## RVING YUMA, ARIZONA (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.RVING YUMA, ARIZONA, is a complete how-to guide to RVing one of the most popular winter-season RVing areas in the world. Yuma is often referred to as the Snowbird Capital of the World. Its population of about 90,000 doubles during the winter season from mid-September to mid-April when the snowbirders and other winter visitors arrive. Many of the snowbirders are RVers, which is what this book is about. This book is all about what led the author to Yuma, why he keeps returning, and what he does while he is there. And more importantly it is about how you can experience Yuma for yourself in your own RV. All aspects of RVing Yuma are covered including how to get there, where to park your RV, RV parks, boondocking (dry camping without hookups) areas, finding your way around in Yuma, what to see and do, walking and bicycling, activities and events, shopping, RV services including repairs, solar installations, parts and supplies, and where to get water and propane and empty holding tanks.
