Brand New Book ***** Print on Demand *****.Excerpt from Carpentry for Boys Elementary Woodwork a Series of Lessons, Designed to Give Fundamental Instruction in Use of All the Principal Tools Needed, in Carpentry and Joinery The title given to this book was chosen because of the purpose to present fundamental exercises in a simple form for the use of beginners. Effort has been made to detail operations minutely, hoping to be of service to novices, though well aware that no book can be a substitute for an efficient instructor. The arrangement is from the easy to the difficult by successive steps, and is designed to give boys of twelve years and upward primary command of the use of a set comprising the principal wood-working tools. The smaller planes and saws are chiefly used. Other tools are of standard size. Small pieces of wood are used, since elementary instruction can be better given thereby. The different kinds of naildriving, and the use of gauge and try-square, are first taught on boards prepared by machinery. The ability to use each tool should be mastered before undertaking...
