Raphel Marketing., United States, 2013. Paperback. Book Condition: New. 279 x 211 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Crawfords have developed hundreds of brand-new Math-tivities that combine math instruction with arts and crafts, games, puzzles, and outdoor play to make math the most fun part of the day! All the Math-tivities are aligned with specific Common Core Standards for grades K to 2 so teachers can track their students progress toward mastering each Standard. Math-tivities includes a wealth of printable activities for students including: Mathbooking a new combination of math journals + scrapbooking; Math Glyphs students answer math questions to create a personal work of art; Math and Tell combines storytelling with math word problems; Math Games and Puzzles brand-new math games to entertain students while they learn; Taking Math Outside use the great outdoors as your new location for math class; Holiday Math use special seasons of the year for showcasing math instruction Many of the Math-tivities provide opportunities for integrated and differentiated instruction to allow teachers to combine subject matter as well as pinpoint each student s individual needs. And the charming Math-tivities characters will delight young students as they learn math skills! Math-tivities is designed for teachers who want to enliven their approach to math, and it is perfect for homeschoolers with its wide variety of new printable activities. Math-tivities makes math crazy fun! But watch out! Your students will be begging you to do math and begging their parents to do math on the weekend! They will even beg to do math before anything else you might be learning! The book gives a multisensory approach to math and give teachers fun practice and learning options while also aligning with Common Core! So put away some boring book that practices math...
